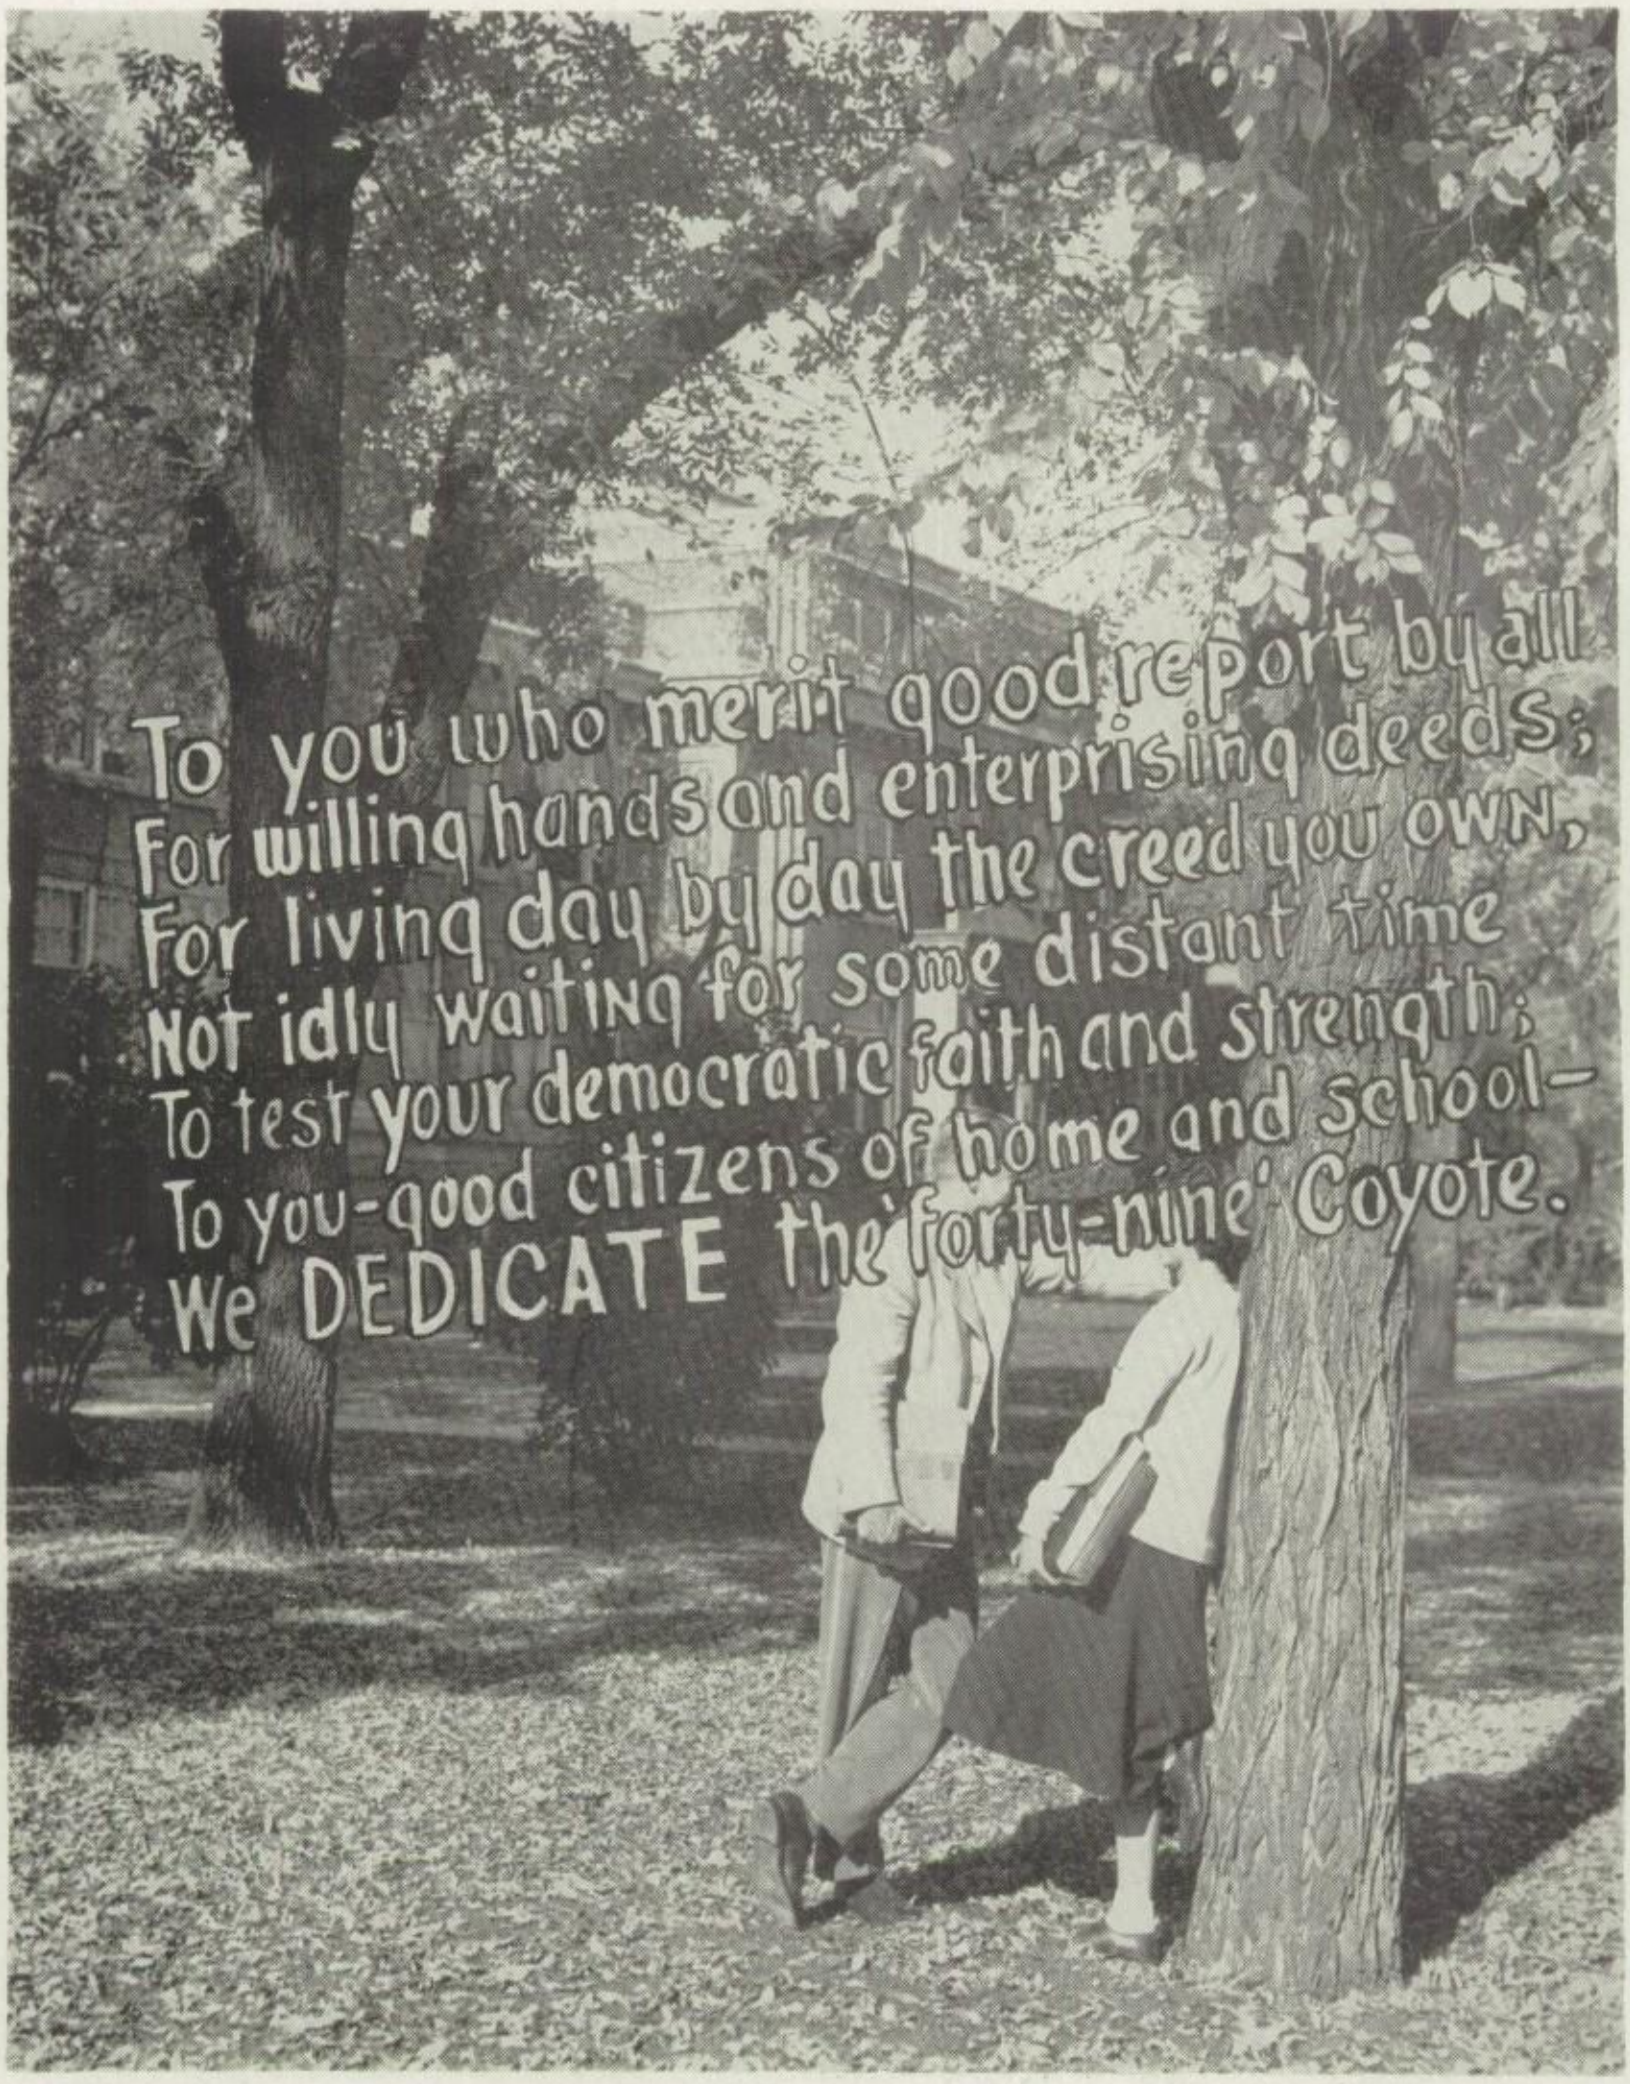
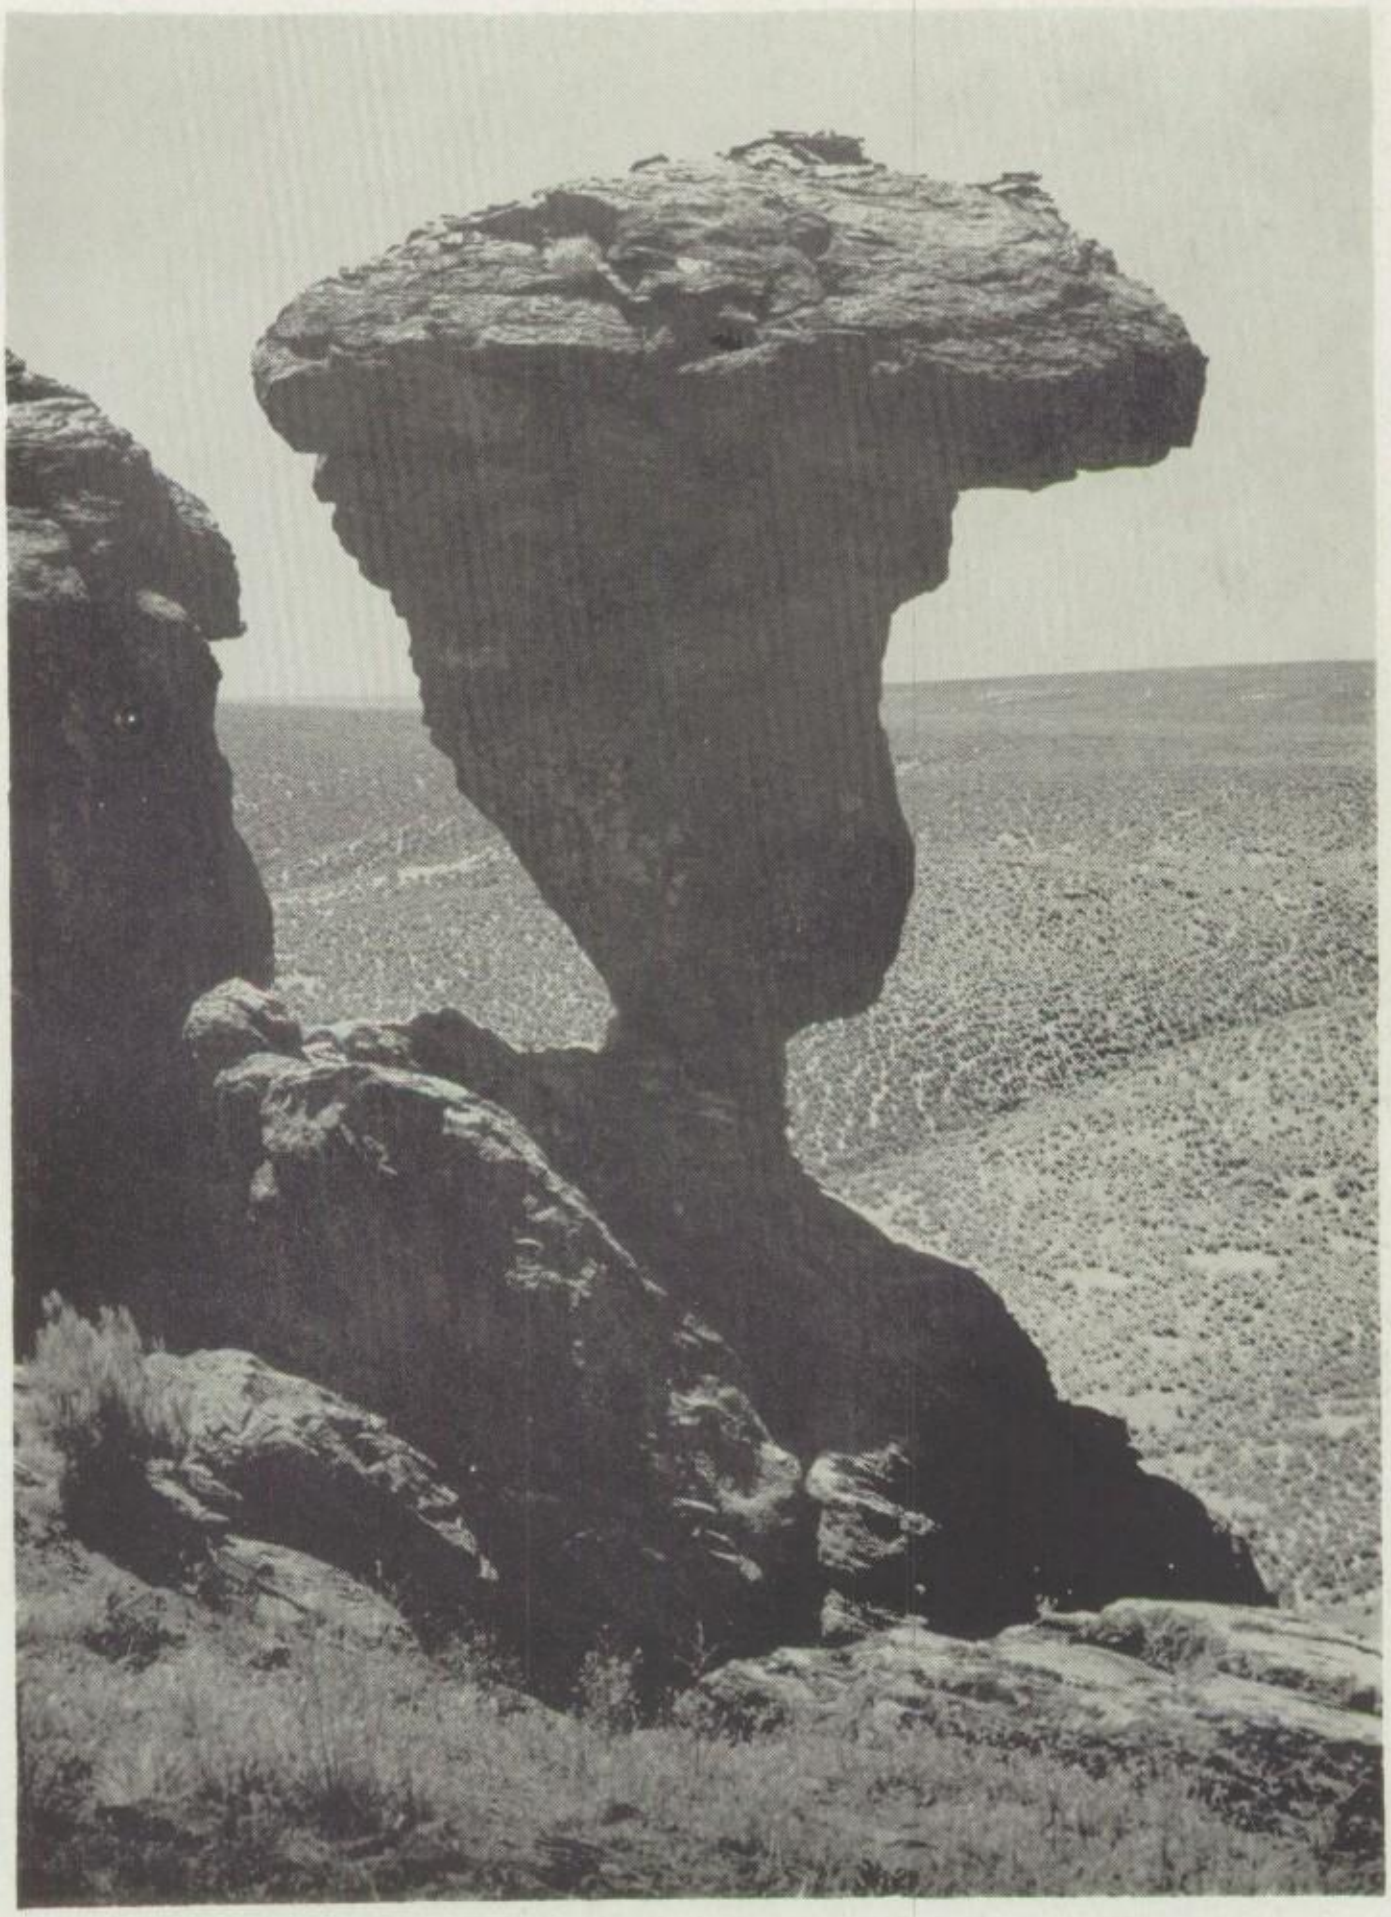
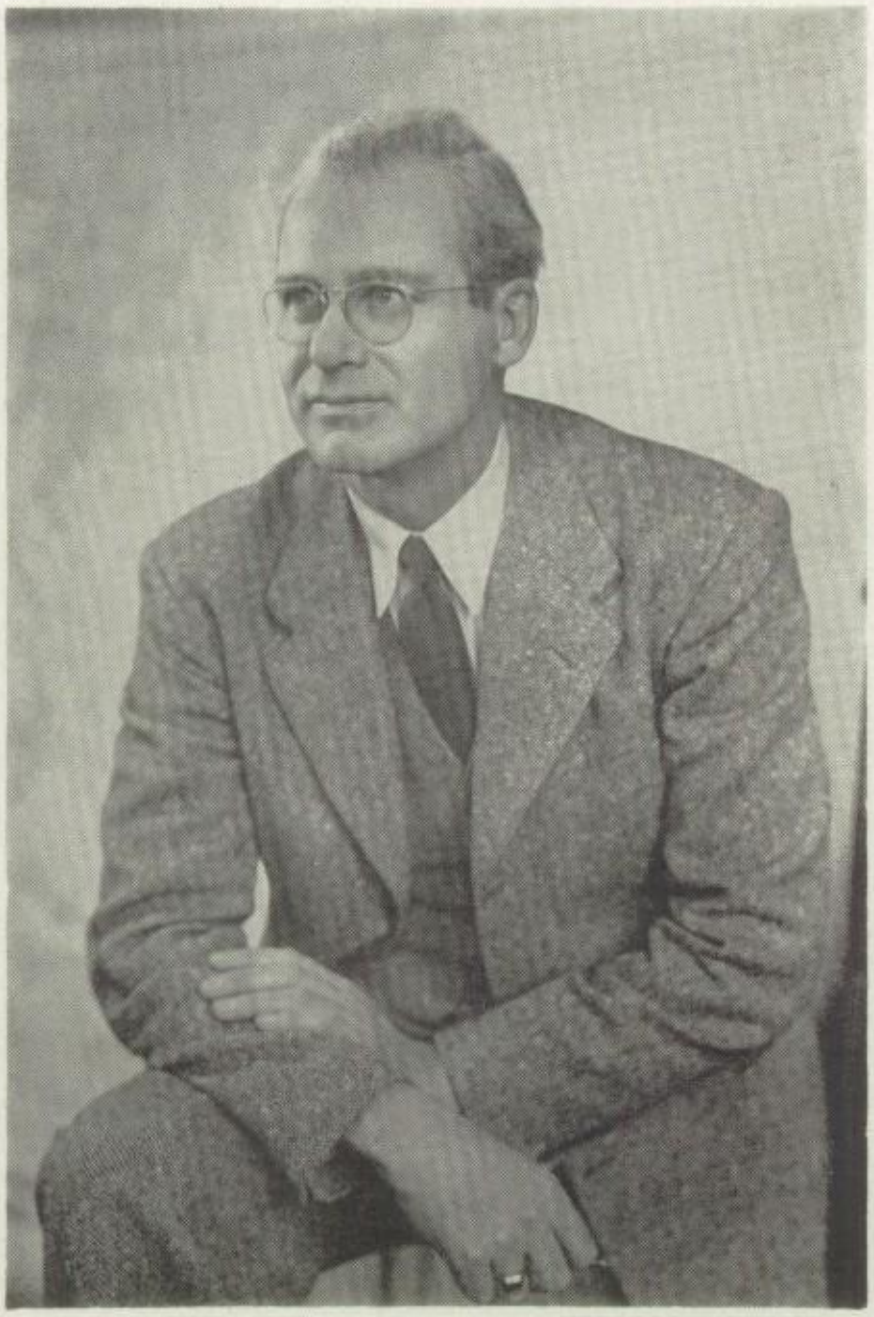
TWIN FALLS HIGH SCHOOL



To you who merit good report by all
For willing hands and enterprising deeds;
For living day by day the creed you own,
Not idly waiting for some distant time
To test your democratic faith and strength;
To you-good citizens of home and school-
We DEDICATE the 'forty-nine' Coyote.



Administration



SUPERINTENDENT

A. W. MORGAN

To Mr. Morgan falls the difficult task of administering all schools in our system. This he does with marked ability. He merits the respect and the appreciation of both faculty and student body. We believe that he is one of the best superintendents in Idaho.

PRINCIPAL

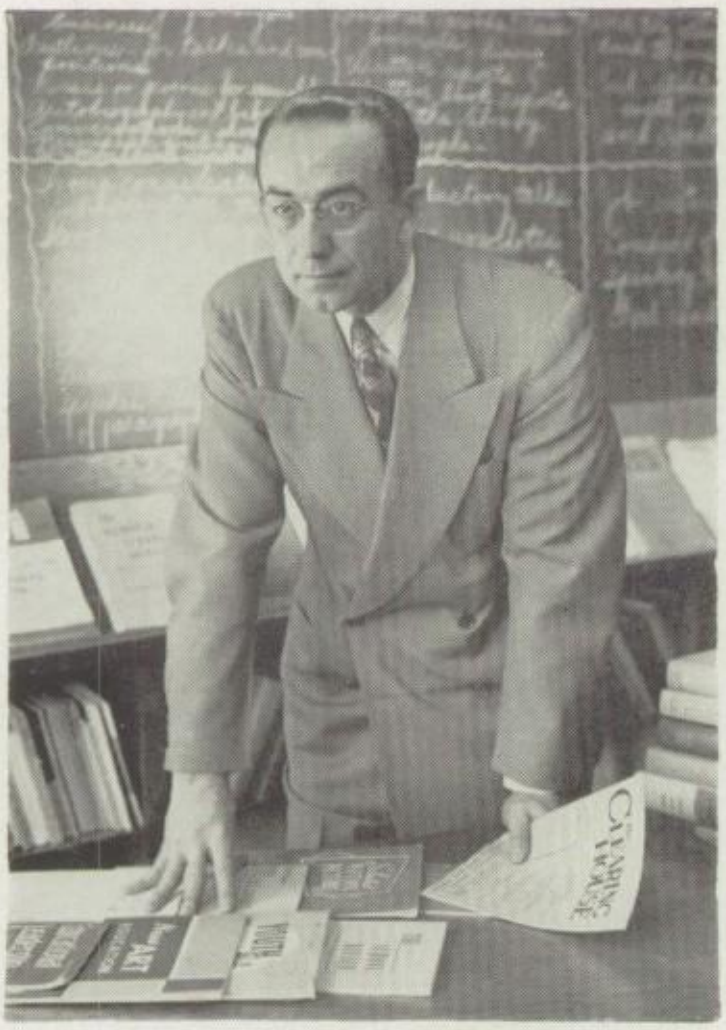
JOHN D. FLATT

Mr. Flatt is more than a principal or an adviser. The role of educator is not a "job" to him, but truly a profession. It is easy to see that his heart is in his work. Mr. Flatt accents the "pal" in principal, a true friend of the student.

BOARD OF TRUSTEES

A. W. Morgan, Charles J. Kelly, Edgar H. Olmstead, Mrs. Edna M. Miller, Clyde Koontz, Glen E. Trail, Frank L. Stephan.

Curriculum Director



ARTHUR M. KLEINKOPF

Secretaries

EDNA M. MILLER VELMA BRANDT

DEAN OF GIRLS

ROSE MURRAY NORTH

In the opinion of our students, girls and boys alike, Mrs. North finds high esteem. Respected for her just discipline and admired for her understanding, she will be among the memorable figures of our high school years.

DEAN OF BOYS

KENNETH E. KAIL

To Mr. Kail we extend appreciation for sponsoring two of our best organizations, the Boys' Club and the high school Congress under the new constitution. As Vice-Principal and Dean of Boys, he is an able executive.

Classes

Class of 1949

In 1849 only a small number of the many pioneers who set out on the long gold-rush trail achieved their desires by striking it rich in the mines of the West. To them, however, this was not the end of their toil or the fulfillment of their dreams but only the beginning. With fresh enthusiasm they soon set to work to develop their new opportunities.

We, the class of 1949, have successfully completed our high schol years. Our progress through school held fewer hardships and many more pleasures than did the journey of the prospectors. Like them, we are now ready to begin another phase of life and to make the most of our newly-found advantages.

Class of 1950

The class of "50" is nearing its goal. We are striving to keep the standards we set for ourselves as sophomores. Our first year was a milestone as far as achievement is concerned. Our sophomore assembly won first place and our athletes gained recognition.

We are now at the close of another successful year, and we hope to begin our senior year with as much enthusiasm and interest as we have shown in the past.

This is a year we shall long remember. The junior play, "Growing Pains," and the Junior Prom were two outstanding events of the year.

Our ultimate goal is to become the finest class ever to graduate from Twin Falls High School.

Talent Show

Class of 1951

As our sophomore year draws to a close, we recall the memories of the past nine months.

Our scholastic goals and ambitions lead us to consider our class as a large unit or family working together to attain high standards. We strive to lift the level of achievement a little higher than we found it and to win the good will and friendship of our upper classmen and of our instructors.

Our class aim is to give service which is just a little better than we receive. We hope never to take unfair advantage of our competitive classes. We wish to extend thanks to our hard-working and patient faculty and to the seniors and the juniors for being helpful and for overlooking our mistakes. We shall always remember the class of '49 for their hard work and courage, and also for the many laughs they have given us in their clever entertainments. We also admire the juniors and we are thankful that we shall have them with us for another year. We hope to carry the proud banner of Twin Falls High so that those who follow will look to us with the same esteem we give to those who have preceded us.

As we become the leaders, our sincere desire is to have the class of '51 maintain the standards of our school and to conduct ourselves that others may find it wise and profitable to follow our example.

"Hello, there! You're new this year, aren't you? How do you like Twin Falls High School?"

"Why, fine, I guess. Only in a school this size, how will I manage to get acquainted with all the other girls and to participate in the various school activities?"

"Just wait. Girls' League takes care of all that."

"Girls' League? I've heard of something like that. What is it and how does it operate?"

"Organized 11 years ago, the objectives of the Girls' League are to promote friendship and opportunities for all the girls through a guidance program and through various social and service activities. Every girl automatically becomes a member."

Under the leadership of our capable president, Donna Rae Bagley, this has been a very successful year. Treasured memories center about the "Big-Little Sister Rally" in the park, September; the All-Girl Mixer in the gym with a theme of "Western Jamboree," October; gifts to the Orphans' Home in Boise, December; the Mother-Daughter party the theme "Ye Olde Time Circus," April. Every two weeks League assemblies offered personal and vocational advice and introduced talented girls such as Euretha Wert and Dorothy Vance, singers.

Money-making projects under the direction of unit vice-presidents included a rummage sale and selling candy in the halls and at the football and basketball games.

The climax of the year's activities was the "Queen of Hearts Ball" in February. Donna Rae Bagley was chosen the "Sweetheart" of Twin Falls High School; Louise Hall, senior princess; Beverly Alger, junior princess, and Rosalind Luke, sophomore princess.

The motto of Girls' League is "In Unity There Is Strength." This year we have proved that it is really true. Every girl will remember Girls' League as an integral part of her high school days.

Boys' Club

Officers:

President ..... Ralph Arrington

Secretary-Treasurer ..... Dale Neilson
Sponsor ..... Mr. Kenneth E. Kail

Every high school boy automatically becomes a member of Boys' Club. Each fall "big brothers" welcome the new boys into Twin Falls High School at at annual assembly.

Club meetings have been highly varied. One program boosted the Bruineers, our band. By featuring musical numbers and speeches, the group has encouraged the development of talent among the members.

This year the Holly Ball, our annual Christmas dance, proved so popular that it promises to become a traditional observance.

We are justly proud of the part the Boys' Club played in promoting all school affairs. In every way, this has been a most successful year.

Future Farmers of America

The FFA, whose membership includes every boy enrolled in agriculture, has promoted good citizenship in our school by participation in activities and by cooperation with other organizations.

We feel that a great part of the work we planned has been accomplished under the leadership of Bob Sorenson, president; Harold Mink, vice-president; Melvin Jaynes, secretary; Clyde Murphy, treasurer; Howard Miller, reporter, and LeRoy Alger, sentinel.

At the State FFA Judging Contests last summer Bob Holloway was high man in dairy judging and third high in the livestock contest. Seven of the top ten steers entered in competition with other chapters at the Twin Falls County Fair were projects of the local chapter. The livestock judging team, Armond Woolley, Darrel Schnitker, and Howard Miller, won first place. Bob Holloway was awarded a cup by the Twin Falls Grange for being the outstanding chapter member.

In October, a judging team composed of Darrel Schnitker, Armond Wooley, and Clyde Murphy, competed in the FFA Livestock judging contest at the Southeastern Idaho State Fair, Blackfoot. The team won first place in the beef judging division and third place in all events. Darrel was high point man of the contest.

At the district contest the crop and seed judging team, Harold Mink, Clyde Murphy, Bob Flynn, took fourth place. Loyde Kuka, Kay Larsen, Val Hankins, Howard Miller, and Denzel Martindale, swine judging team won second place. Howard Miller tied for high man.

Armond Wooley represented the chapter in the public speaking contest and won third place.

We sponsored a musical program, the Harvest Show, and a dance, the Harvest Ball. Both of these undertakings met with great success.

These are some of the "highlights" of our organizational activities; however, they are far from being all-inclusive, for we believe in doing things for our school and for our community.

This year the FHA has been very active in state and local functions. Delegates attended the District Convention in Idaho Falls and the State Convention in Boise. One of our delegates represented the FHA at the State Wool Growers Convention held in Pocatello.

At High School Night during Education Week, three members modeled garments made in class. The girls have had practical experience in the preparation and serving of numerous teas and dinners. Together the FHA and the FFA sponsored the Harvest Ball.

Lois Soper was awarded a gold cup by the Twin Falls Grange for being the most outstanding FHA member in the local chapter.

It is the custom of the club to conclude the year with a swimming party.

The Bruin

The fifth and sixth period journalism classes published a weekly six-page edition of "The Bruin" this year. Under the co-editorship of Helen McEwen Jones and Shirley Goodyear the first semester and Shirley Goodyear and Lucille Langdon the second semester, a new and more efficient method of assigning and editing stories for the paper was inaugurated.

In addition to the newspaper, three weekly broadcasts were prepared and given by members of the staff. Bruin reporters read school news and introduced school talent during their 15-minute programs: "Twin Hi in Review" on KVMV; "Hi Lites of Twin Hi," KTFI; and "Hi Jinks," KLIX. Usually the radio reporters worked in groups of three—two girls for school news and one boy reading sports news.

Working in close cooperation with the staff, the News-Bureau was organized in the beginning journalism class. Director Fran Averett arranged for *Times-New* coverage of junior and senior high school events and helped in making assignments for "The Bruin" and for the radio reporters.

The staff members are proud of their adviser, Mr. L. J. Schroyer, who was asked to speak at the Convention of Journalism Instructors at the University of Washington, Seattle.

Sponsor	Mr. L. J. Schroyer

The Twin Falls chapter of Quill and Scroll this year installed 11 new members bringing the total membership to 20. This is one of the largest memberships the Twin Falls chapter has ever had. The humorous initiation followed the plan set last year with the initiates carrying quills and scrolls about the halls of the school for the week of initiation.

The group project this year was a United Nations issue of the Bruin. This issue was dedicated to youth and the world.

The organization is an international society for high school journalists and has strict membership requirements. A candidate to the society must be a member of the school newspaper or annual staff and have a total of 100 published inches. They must also be in the upper third of their class scholastically.

Science Club

This year a Science Club was organized under the able sponsorship of Mr. L. M. Winters. Its Constitution was the first to be ratified by the new student body Congress.

The membership is composed of students who have taken chemistry or physics, and who wish to further their interests by outside scientific activities.

Members of the club have profited greatly by field trips to establishments in Twin Falls where they saw practical scientific theories in action.

To stimulate interest for younger students, various experiments have been performed for the beginning science classes in junior high school. By this means the club hopes to encourage an influx of new students, thereby enlarging and improving the present high school science departments.

Coyote Staff

We, the members of the 1949 Coyote Staff, wish to express our sincere appreciation to the students and faculty of Twin Falls High School for their co-operation in helping us to compile this pictorial record of the memorable year of 1949. We consider it a privilege and a pleasure to have recorded this chapter in our school life.

Thespians

The aim of the Order of Thespians is to promote appreciation of and interest in the dramatic arts. This year, Thespian Troupe 256 has increased its membership and activities in working toward these standards. In addition to the three school plays, "Our Hearts Were Young and Gay," "Ghost Wanted," and "Growing Pains," the troupe has sponsored such activities as an after-game dance and initiation.

We are deeply grateful to our dramatic coach, Miss Eve Fisher, who has pleased both casts and audiences with her valuable suggestions, fine directing ability, and wise selection of plays.

Swooping down glistening slopes, dipping and bending to dodge the immovable rocks and gullies, and breathing clean pine-scented air, the devotees of America's most popular winter sport reach out for greater thrills and spills.

For the third year the Ski Club offered instruction and transportation for enthusiasts. Buses left for Magic Mountain every week-end that the roads were open. However, unusually heavy snowfalls and blocked highways snowed in skiers for a major part of the season.

This year a new T-bar lift was installed at Magic Mountain, adding impetus to the sport. With increased development of the area, high school skiers look forward to winning coveted awards in the coming years.

The Bruin Club was originally organized to assure due recognition of lettermen in all the major sports. Active in all phases of athletics, the members can always be counted on to support any sports event. This year, in cooperation with the Bruin Boosters, they successfully canvassed business firms during a drive to sell activity tickets.

Congratulations are in order for the work of Bill Riach and the other members who so ably fulfilled the aims of the organization.

"The Twin Falls team wound up on the short end of a 27 to 25 score, but the never-say-die, spirited way they played the game won them and their school the respect of a grandstand full of people who will remember their sportsmanlike conduct long after the score of the game has been forgotten."

—Boise Statesman

"Not because we won, but because it came from the boys after the game—they thought that Twin Falls was the hardest blocking and tackling team they had met, yet were the nicest and cleanest during the game and afterwards."

—Chick Atkinson
Pocatello Grid Coach

"Extend the congratulations of the Twin Falls Chamber of Commerce to the Athletic Department of the Twin Falls High School and the members of the Bruin Football Team for exemplary conduct on and off the Football Field . . . If every one of our citizens in Twin Falls would conduct himself in a similar manner both in Twin Falls and when visiting our neighboring communities, the excellent reputation of Twin Falls would continue to be high."
